Corporate Environment, Health and Safety (EHS) Policy

We at Crompton Greaves (CG) are committed:

- To ensure the health and safety of all our employees and stakeholders across all CG factories and establishments, wherever we operate.
- To minimise the adverse impact on the environment and also the community at large.

The prevention of ill-health, injuries and environmental pollution shall be achieved by the following Environment, Health and Safety (EHS) Management Systems and Processes.

1. Ensuring the compliance of all local, country-specific applicable legal and other requirements and aiming to set high EHS performance standards beyond legal requirements.
2. Promoting training and best practices, for the purpose of spreading knowledge and information on EHS improvements amongst Managers, Employees, Contractors and the Society as well.
3. Ensuring the EHS commitment and accountability of the Leadership team with clearly defined roles and responsibilities for all Managers, Employees and Contractors.
4. Ensuring availability and provision of adequate resources for achieving the set EHS Objectives, taking corrective and preventative measures for continual improvement.
5. Ensuring that the EHS governing principles are fully incorporated in all our business decisions such as product development, procurement, plant/machinery/process selection, customer service etc.
